

2k watt solar panel price Curaçao

How much does electricity cost on Curacao?

On Curacao, the costs per Kwh calculated in 2012 is ANG 0,73. If you are a home owner, commercial property owner or owner of an industrial building on Curacao, please have a look at your electricity bills and calculate the average amount of Kwh you use and the money you spend on electricity per year.

Can I get a solar loan in Curacao?

As you can see the more electricity usage you have, the faster you will earn back your one time investment. Many banks already offer so-called "green loans", financing the purchase of your solar system on Curacao for a monthly installment that may be even lower than the monthly price you pay for electricity now.

Are solar panels a good investment in the Caribbean?

Caribbean Solar Panels for sale. Save a huge amount of money on your monthly electricity bills using solar energy in the Caribbean. Our solar power systems are among the most economic solar panels throughout the Caribbean. Earn your one time investment back within 4 to 5 years on Aruba, Bonaire, Curacao, Sint Maarten and the entire Caribbean.

Where can the Ecoplant be found in Curacao?

The Ecoplant is a fully solitary power plant that can be placed in Curacao anywhere you like, such as the beach, parking lot, or even in your garden. The Windwokkel(TM) delivers enough energy for an average household in Curacao. It can easily be installed on your flat roof top or on any pole with a height between two to four meters.

How does Ecofarm Curacao operate?

Ecofarm Curacao operates as a distributor and has expertise in the areas of sun, wind, and storage. We work together with local installers on Curacao. After an inventory check, we will sit down with you to discuss your wishes and create an action plan.
