

3s solar solutions Jersey

Where is 3S solar based?

The 250 MW of production capacity was installed in 11 months. 3S Swiss Solar will make its 3S solar modules at the new facility and will keep running its existing factory in Thun, in the Bernese Oberland region of Switzerland. The Worb plant could be potentially expanded to produce larger volumes of PV modules, as well as larger cell formats.

What's new at 3s Swiss solar?

Ribbon-cutting ceremony at 3S Swiss Solar's new factory in Worb. Image by: 3S Swiss Solar Solutions AG. 3S Swiss Solar Solutions AG has officially opened its second photovoltaic (PV) module production facility in its home country, with the expectation to start first deliveries from the site at the end of the month.

Who is 3S Swiss solar solutions?

For over two decades, 3S Swiss Solar Solutions has been at the forefront of the solar energy revolution. Their journey has been characterized by a relentless pursuit of innovation in photovoltaic technology, especially in the realm of Building-Integrated Photovoltaics (BIPV).

Why should you choose 3s Swiss solar solutions?

3S Swiss Solar Solutions' approach combines technology with a commitment to environmental sustainability, reflecting our dedication to reducing the carbon footprint of buildings and advancing towards a cleaner, greener future.

What is 3S doing in the solar energy sector?

M.B: In the solar energy sector, we at 3S observe distinct trends in our primary markets. In Germany and Austria, the concept of building-integrated photovoltaics (BIPV) for roofs and facades is emerging, capturing significant interest due to our extensive experience and over 18,000 installations we have done already.

3S Swiss Solar Solutions leistet mit der Produktion von Solarsystemen einen wichtigen Beitrag zur Energiewende und handelt dabei kompromisslos nachhaltig: Die...

MX Solar has brought its new, highly automated solar module production line on stream in New Jersey, USA. The US branch of the Italian-based MX Group will, from now on, be producing crystalline solar modules for the local and European markets using an integrated 3S ...

3S Solar Plus AG ändert den Namen auf 3S Swiss Solar Solutions AG und bietet Lösungen für die gebäudeintegrierte Photovoltaik aus Schweizer Produktion an.
