

5 Series trunk can store things

How many litres can a BMW 5 series hold?

Roof rails run above for those times when you bust out even of all this capacity. For reference, that capacity is 570 litres with the seats up and 1,700 litres with them folded flat, although the plug-in hybrid fills some of that space with battery and only manages 430/1,560 litres. Top Gear reviews the new BMW 5 Series touring.

What's wrong with the 5 series Boot?

We do have some minor gripes about the 5 Series' boot though - the cables for the plug-in models take up some of the boot space which, while huge, has a slightly awkward floor shape that makes stowing items trickier.

How many people can fit in a Ford 5 Series?

With its generous exterior dimensions, the 5 Series is a big car inside, with plenty of space for five. The front seats are supremely comfortable and include electric lumbar adjustment as standard.
