

Eternity Technologies was founded in 2009 as part of the Al Dobowi Group to meet the needs of the global industrial lead acid battery market. BTSC has open a new all type of batteries regeneration center in Bahrain for Eternity. Whatever your traction battery is, BTSC will help you to save on your energy cost:

1. Maintenance and battery repair.

October 25, 2024: Lead battery innovator Eternity Technologies has been selected to supply full battery management systems for one of the Middle East's largest cold storage projects. Eternity confirmed the deal with the Dubai-headquartered logistics major Ocean Fair International Group, saying it would deploy its QUASAR Motive Power range.
