

Who is Eiffage Energie Systèmes?

Eiffage Energie Systèmes designs, builds, operates and maintains systems and facilities in electrical, industrial and energy engineering and HVAC which respect people and the environment. Eiffage Energie Systèmes provides a customized offer for the industrial, infrastructure and network markets, local authorities and the tertiary sector.

Who are Eiffage Energie Systèmes & EnTech?

Eiffage Energie Systèmes, a leader in design, installation and maintenance of systems and equipment for electrical, industrial, climate and energy engineering, alongside Entech, a technology firm specialised in the storage and intelligent management of renewable energies, today signed an agreement to create a joint venture.

What markets does Eiffage Energie Systèmes address?

Eiffage Energie Systèmes addresses four basic markets: industry, tertiary, infrastructures & networks and cities and communities. We can draw on wide-ranging expertise and specialities in a dense network of centres.

When will Eiffage Energie Systèmes be finalised?

It is expected to be finalised in late 2024. Eiffage Energie Systèmes already operates in Germany with four major subsidiaries in tertiary and industrial sectors: Elomech, Schwarz and Grantz, Nat, and Salvia Group (acquired and consolidated early in 2024), with a total of almost 3,000 employees and revenue of EUR630 million in 2023.

What makes Eiffage Energie Systèmes unique?

To deliver tailor-made solutions that meet the needs of its customers, Eiffage Energie Systèmes has developed a set of expert brands, each specialised in a different market - industry, infrastructure and networks, cities and local authorities, and the commercial sector. Concessions
