

# Batteries solar panels Sierra Leone

From state-of-the-art solar panels to cutting-edge battery materials and advanced inverters, our product lineup is designed to empower you with sustainable energy solutions. Whether you're looking to harness solar power for your home or business, our products are engineered for performance, reliability, and longevity.

A first-of-its-kind commercial solar and battery system has been commissioned in Sierra Leone to cut carbon emissions and enhance sustainable forestry. The 236kWp solar PV, 389kWh battery storage facility commissioned at Miro Forestry and Timber Products' Tonkolili factory last week marks a new milestone for sustainability in Sierra Leone's ...

Founded in 2019, Easy Solar - Power Solutions is a leading provider of solar energy solutions in Sierra Leone and Liberia. With over 700 kW of installed capacity, we are committed to providing world class solar and battery storage for schools, businesses, hospitals, farms and other high-impact organisations.
