GSL Power storage wall is a battery that stores energy, detects outages and automatically becomes your home's energy source when the grid goes down. Your system detects outages, powers your home and electric vehicle with backup energy and automatically recharges with sunlight to keep your appliances running for days.

Power storage wall reduces your reliance on the grid by storing your solar energy for use when the sun isn't shining. Use Power storage wall alone or combine it with other GSL products to ...

GSL Power storage wall is a battery that stores energy, detects outages and automatically becomes your home's energy source when the grid goes down. Your system detects outages, powers your home and electric vehicle with ...

Power storage wall reduces your reliance on the grid by storing your solar energy for use when the sun isn't shining. Use Power storage wall alone or combine it with other GSL products to save money, reduce your carbon footprint and prepare your home for power outages.

Discover the GSL Energy IP65 waterproof wall-mounted Powerwall battery (Model GSL-051280A-B-GBP2), featuring a 14.34kWh capacity, 51.2V output, and Lithium Iron Phosphate (LiFePO4) technology. Certified by UL9540A, UL9540, UL1973, CB-IEC62619, CE-EMC, UN38.3, and MSDS, this advanced energy storage solution provides safe, long-lasting power for residential ...

With a focus on advanced lithium battery applications and solutions, GSL ENERGY remains committed to independent innovation. We possess cutting-edge lithium battery module development and design capabilities, effective ...

Energy:14.34Kwh Voltage:51.2v/48V Life Cycles:6500 Cycles manufacturer of lithium iron phosphate battery systems, GSL ENERGY has provided various battery solutions for nearly all kinds of ESS applications. Thanks to our self-developed core technology in cells/BMS/system design, GSL ENERGY has delivered more than 138+ countries serving 100,000 ...
