

Why should you visit Canton Fair Complex?

Canton Fair Complex is one of the largest exhibition centers in the world(over 800,000 sqm). You can be pleasantly surprised if it is not your first on-site Canton Fair. During the pandemic outbreak,the Canton Fair Complex was expanded,and high-tech elements were introduced to elevate the trade show experience.

What is Canton Fair?

Canton Fair is split into two sessions, spring and fall. The fair is so large that the on-site edition is broken down into three phases. Each phase focuses on different industries and showcases different product categories. Canton Fair can be overwhelming, so decide which phase you want to visit before registering for the fair.

When will the Canton Fair online platform go live?

The online event is not split into phases; exhibitors from all industries are available throughout the whole period. In 2024,the online platform will go live too. For the 135 th Canton Fair,the online platform will be launched from March 16 to September 15,2024. During this period,registered buyers can (some features are time-limited):
