What is the Jamaica Port Community System (PCS)?

The Official Website for Jamaica's Port Community System. JamaicaPCS enables intelligent, secure and reliable exchange of information, connecting public and private stakeholders in order to improve the competitive position of the Jamaican sea and airport communities.

What is the Jamaica Customs Service (PCS)?

The PCS is facilitated by the Port Authority of Jamaica in partnership with the Jamaica Customs Agency, along with the support of the Shipping Association of Jamaica. It is accessible to all members of the Port Community with moderate user fees that are among the lowest in the world.

How does a shipping system work in Jamaica?

The system is accessible anytime, anywhere, via a PC with an Internet connection, putting the user in charge of where and when they access the application. Jamaica's shipping industry must consistently and reliably engage in trade and logistics activities in order to enable true trade facilitation and economic development across the country.

Jamaica's Port Community System, "JamaicaPCS", enables intelligent, secure and reliable exchange of information, connecting public and private stakeholders in order to improve the competitive position of the Jamaican sea and airport communities.
