CPSL Group specialise working with businesses who are looking to invest in renewable energy, save on their energy bills and reduce carbon emissions.

What can CPSL do for You?

Using existing technologies and turning them into whole energy solutions. CPSL Group offer supply, install & servicing for Solar Panels, Electric Vehicle Charge Points, Wind Turbines, LED Lighting, Grid Connection Solutions, Battery Storage & more.

How does selikor NV help keep Curaçao clean?

Our company, Selikor NV, has a 24 hour job, 7 days a week, to manage the solid waste produced on the island of Curaçao. However keeping an island clean requires more than the commitment of one company. It takes the commitment and involvement of the whole community. Waste generators have a social responsibility in helping keeping Curaçao clean.
