

Hanersun is a world-leading energy technology company, with a business scope from the R&D and intelligent manufacturing of solar modules, energy storage products, to comprehensive energy solutions. By focusing on advanced high-efficiency technology, it is one of the first to launch the 600W+ solar module in the industry.

using Hanersun solar modules and solutions. Hanersun is a worldwide professional solar module manufacturer and comprehensive energy solution provider.

By focusing on high-efficiency technologies, it is one of the first to launch solar module of 600W+ and 700W+ in the industry. By the end of 2024, Hanersun has cumulatively delivered over 14GW solar modules to more than 100 countries and has developed and built 800MW of solar projects in the Asia Pacific.

Hanersun is a world leading solar module manufacturer and comprehensive solar solution provider. We are specialized in high efficient solar module research,manufacturing and distribution to global market with advanced module production capacity available both in China and abroad. Founded in 2004,Headquartered in Nanjing,China.

As of the end of 2022,Hanersun has cumulatively delivered over 11GW solar modules to more than 80 countries and has developed and built 600MW of solar projects in the Asia Pacific. Our branches have been set up in Europe,the US,Japan,Vietnam,Hong Kong,and Pakistan to provide seamless services for local customers.

To sum up,it is a reliable partner. Company profile for solar panel,Component and installer manufacturer Hanersun Technology Co.,Ltd - showing the company's contact details and offerings.
