PVTIME - HOYUAN Green Energy Co., Ltd. (HY Solar, 603185.SH), a high-tech company mainly engaged in manufacturing high-end intelligent equipment and providing PV crystalline silicon products, recently announced that its application for a new solar cell production project has been accepted by the Bureau of Ecology and Environment of Baotou ...

Wang Zhigang recognized the development model of HY SOLAR, and then both parties introduced their respective business layout and strategic planning respectively, ...

The company plans to invest in the construction of a solar photovoltaic monocrystalline silicon wafer production based in Inner Mongolia by stages. The "3GW Monocrystalline Silicon Wafer Production Project", constructed in 2019 ...

The company plans to invest in the construction of a solar photovoltaic monocrystalline silicon wafer production based in Inner Mongolia by stages. The "3GW Monocrystalline Silicon Wafer Production Project", constructed in 2019 with an investment of 145 million USD, has an annual production capacity of about 600 million monocrystalline ...

Recently, HY SOLAR successfully delivered the First Batch of high-efficiency HT modules for the 1 GW power Station project at the Northeast Ulan Buh Desert New Energy ...

Chinese PV manufacturer HY Solar is to invest RMB5.5 billion (US\$760 million) to build a 16GW PV cell production project in Baotou City, Inner Mongolia. The project is divided into two phases.

Hy solar co ltd Mongolia

Recently, HY SOLAR successfully delivered the First Batch of high-efficiency HT modules for the 1 GW power Station project at the Northeast Ulan Buh Desert New Energy Base of Pilot Project Phase II in Inner Mongolia, contributing to local green and sustainable development efforts.

Recently, HY SOLAR successfully delivered the First Batch of high-efficiency HT modules for the 1 GW power Station project at the Northeast Ulan Buh Desert New Energy Base of Pilot Project Phase II in Inner Mongolia, contributing to local green and sustainable development efforts. The 1 GW PV power Station project is located in the Ulan Buh ...

#HYSOLARNews ? HY SOLAR has supplied a total of ?509MW? of high-efficiency HT modules, with the first batch successfully delivered for the 1GW power Station...
