

Ihi terrasun solutions inc Mayotte

Who is IHI terrasun solutions?

Based in North America, IHI Terrasun Solutions is an energy storage systems integration and lifecycle services provider with highly innovative hardware and software capabilities. Our global parent company, IHI Corporation, has been a leader in the industrial sector since 1853.

Why should you choose IHI terrasun?

Trusted lifecycle services for battery energy storage projects. Innovative design, integration, software, and field engineering solutions that advance the renewable energy transition IHI Terrasun maximizes your return on project investment -- now, and for the long-term.

Why should you choose IHI terrasun for battery procurement?

We offer the most flexible options for battery procurement, including our Assured Procurement service. IHI Terrasun is at the forefront of advanced solutions for DC-coupled, collocated, and standalone battery projects.

Is IHI a company?

IHI Inc. has been renamed IHI Americas, and still provides the link between us and IHI Corporation. We have incorporated as a stand-alone company, IHI Terrasun Solutions, Inc. a subsidiary of IHI Americas (IAI), which is in turn a part of IHI Corporation. What does Terrasun do? We are evolving into a solar + storage lifecycle services provider.

What makes terrasun a great energy storage company?

With 320+ MWh of energy storage installed and contracted across North America, Terrasun is positioned to advance energy storage in the region. Over 70% of these projects are solar + storage, with the majority using DC-coupled technology, which highlights Terrasun's core expertise.

Why should you consider a subsidiary of IHI Corporation?

As a subsidiary of IHI Corporation, we continue to benefit from our parent company's continued investment, guidance, and support as we push our growth further. We step forward on our path as a solar + storage system integration and lifecycle services provider.
