Who is Jackson solar?

Welcome to Jackson Solar - Facilitating Energy Transformation Today, for a Sustainable Tomorrow! We specialize in manufacturing both bifacial and monofacial solar modules, complemented by our top-of-the-line solar inverters. Together, they create the perfect synergy for high-efficiency solar solutions.

Who approves Jackson solar modules?

Jackson solar modules are also approved by the Ministry of New and Renewable Energy(MNRE),Government of India under the Approved List Module Manufacturers. Our modules conform to all the clauses of the ALMM standard and set a quality benchmark for manufacturing & procurement of solar panels and cells.

Does Jackson manufacture diesel generators?

The company manufactures and sells diesel generator sets and solar PV modules. Jackson operates four key businesses in India - Powergen & Distribution, Solar, EPC and Defence. The Powergen business manufactures and sells diesel generator sets and also constructs diesel power plants.

Will Jackson expand its PV module capacity?

Jackson has revealed plans to move into solar cell production and expand its PV module capacity. The Indian solar manufacturer and developer says it will expand its cumulative module capacity to 1 GW in five to six months, from 500 MW at present. It aims to have 2 GW of cumulative, operational cell and module capacity by the end of 2024.

Making renewable sources like solar, wind, hydro, geothermal, and biomass available for all businesses & households for significant CO2 emission reduction

Choosing a NABCEP-certified company like Jackson Solar gives you peace of mind knowing your solar installation is handled by professionals who are knowledgeable, experienced, and committed to quality and safety. We're here to help you make a smart, sustainable investment in solar energy, backed by the industry's top certification.

JacksonSolar LLC sells and installs ground-mounted solar systems to Jackson Electric's members who want to offset a portion of their energy usage. Our installers are NABCEP certified photovoltaic associates. Our employees take the time to get to know the homeowner and have an honest discussion on how solar energy can meet their needs.

At Jackson Solar, we honor the bravery, dedication, and sacrifices of our veterans. Today, we express our deep
