

Konka energy New Zealand

Who is konkaenergy?

KonkaEnergy is a leading provider of advanced battery storage solutions for a variety of applications. Our state-of-the-art technologies offer reliable and efficient energy storage, enabling customers to harness the power of renewable energy sources and reduce their reliance on traditional fossil fuels.

Why should you choose konkaenergy?

The KonkaEnergy battery systems are of the latest generation and there is a suitable storage solution for every situation, from small to big capacity needs, Konkaenergy will be able to offer you the best and affordable solution. Solar Energy Storage, Battery Systems for Home or work, High Quality Long term batteries.

Who is Konka New Zealand?

Established in 2006, Konka New Zealand is a New Zealand extension of the Konka Group which was established in May 1980 as an International Electronics Corporation.

Who is konkaenergy / Protex BV?

KonkaEnergy's is a subsidiary from Protex BV, and is the brandowner and distributor for the KonkaEnergy batteries and systems. For more information or requests for reselling, please fill in the contact form. KonkaEnergy / Protex BV Laan van Beek en Royen 6 3701AH Zeist The Netherlands Chamber of Commerce: 30177181 VATnr.
