

Mauritania ecobat solutions

With operations throughout Europe and the United States, Ecobat is a leader in the collection, recycling, production and distribution of energy storage solutions, lead and polypropylene products, and other commodities essential to modern life.

Ecobat of Mauritania has stepped in to introduce solar-powered pumps in select locations, which offer a sustainable and cost-effective solution. Over the next six months, Cody and Ecobat will collaborate to expand the deployment of solar pumps in the most efficient manner possible.

Ecobat is the global leader in the production of lead and lead alloys, mainly from recycled sources. Our extensive smelter network enables us to offer flexible, reliable solutions designed to your specifications, no matter the size of your business. [Learn More](#)
