

Mekeran energy Maldives

Who is mekeran energy & infra private limited?

Map Mekeran Energy &Infra Private Limited is a Private incorporatedon 17 December 2019. It is classified as Non-govt company and is registered at Registrar of Companies,Coimbatore. Its authorized share capital is Rs. 1,000,000 and its paid up capital is Rs. 102,040.

How will aspire and rise help the Maldives' energy transition?

World Bank-financed projects ASPIRE and ARISE support the Maldives' energy transition by installing more than 53.5 megawatts of solar capacity and 50-megawatt hours of battery storage. This will reduce Maldives' annual import bill by about \$30 million,with a project lifetime saving of \$756 million over 25 years.

What are the challenges facing solar projects in Maldives?

Challenges facing such projects include integrating solar with existing power sources on the grid, off-taker risk, weak procurement, and planning capacity. The objective of the ASPIRE project is to increase photo voltaic (PV) generation in Maldives through private-sector investment. Approved in 2020, the ARISE Project scaled up this process.

How is the World Bank helping the Maldives achieve net-zero?

The World Bank has been helping the Maldives transition to clean energy and achieve its 2030 net-zero target. The recent signing of an 11-megawatt solar projectwill see private energy investments deployed in six population centers across the archipelago.

Does the Maldives have electricity?

The Maldives has succeeded in bringing electricity to even the most isolated atolls,resulting in 100% electricity connectivity in the archipelago- but also,tragically,near-complete reliance on diesel fuel to run the generators.

Can aspire help reduce fossil fuel subsidies in the Maldives?

" ASPIRE showcases that there is an opportunity to reduce fossil fuel subsidies,reduce the fiscal deficit burden on the government,and present a clear business case for renewable energy projects in the Maldives," said Simon Stolp,Practice Manager for Energy in South Asia at the World Bank.
