

What are the top solar panel brands in 2024?

February 13, 2024 - Today, SolarReviews released its annual solar panel brand ranking list, and Qcells has been crowned the top solar panel brand for the second year in a row! Details around the ranking list can be found here, but here is a quick snapshot of the top 2024 solar panel brands:

How much does a monocrystalline solar panel cost?

Monocrystalline solar panels are highly efficient, with ratings between 16% and 24%. They are also the most expensive option ranging in price from \$1 to \$1.50 per watt. Polycrystalline solar panels have efficiency ratings ranging from 13% to 20%. Due to lower production costs, they generally cost between \$0.75 and \$1 per watt.

What is a monocrystalline solar panel?

The name refers to the way the solar cells that make up the panel are constructed: From a single silicon crystal instead of several. The most efficient solar panels commercially available are monocrystalline solar panels, including every panel on this list.

Are Topcon solar panels a good choice?

TOPCon is top dog. Many solar panel brands started adopting TOPCon solar technology in 2023 and will likely continue in 2024. TOPCon solar cells can generate electricity quite efficiently and have closed the gap between the performance of premium brands and value brands even further.

Are monocrystalline solar panels better than thin-film solar panels?

Monocrystalline solar panels tend to be more efficient than polycrystalline solar panels, and both tend to perform better than thin-film solar panels. Polycrystalline solar panels are a popular option for homes but tend to have a lower efficiency rate than monocrystalline solar panels.

Who makes the best solar panels?

Panasonic: Panasonic, a leader in home electronics, is also a top name in the solar industry. Its solar panels and battery both made it on our "best of" lists because of their top quality and great performance. However, the company falls behind regarding U.S. investment and doesn't manufacture its own panels.
