

Probegroup co za Barbados

Does probe have a material handling company?

We have engaged with a material handling company to expand our range into electrical forklifts and EV technology, with the associated charging systems. Probe has a diversified range of batteries to support the material handling segment, encompassing lead, lithium and advanced traction battery solutions.

Is probe a bee compliant company?

With Frank and Rick Rovelli at the helm, the family business has grown at 70% per annum for 20 years. Probe is a 49.90% BEE compliant company.

Who is probe bonded warehouse & warehousing?

Probe acquired its first bonded warehouse with SEKO Logistics in 2009. Today, 14 years later, we are still using the same business for our freight and warehousing, an emphasis on the value we place on building a lasting network in everything we do.
