

With over a decade of success,INTEC has evolved into a global leader in EPC Services,boasting a proven 3.1 GW track record. Our focus on green energy drives us to go further,now offering comprehensive Project Development services and investing in New Energy Solutions.

INTEC draws upon a rich heritage of German experience in solar power plant design and construction. We translate this expertise into cutting-edge smart energy solutions that empower a sustainable future and contribute to global decarbonization efforts. Our commitment extends beyond simply providing solar power.

INTEC offers end-to-end EPC services, ensuring seamless project execution from conception to completion. INTEC combines the latest battery and inverter technology with best-in-class engineering capabilities. INTEC provides strategic insights and expert guidance, ensuring the development of enduring turnkey solutions.

With the expertise of a global workforce, INTEC is establishing itself as a leading player, executing over 180 projects globally and achieving a significant installed and secured capacity of 3.1 GWp. We maintain an active presence across Europe, the Middle East, APAC, Africa, and Türkiye, with our global headquarters located in Germany.
