What is Sinotech?

SinoTech is a performance-based digital marketing company that began by offering clients advanced technology solutions for maximum ROI in key digital channels, including search engine, affiliate, and social media marketing. Now, Sinotech is exclusively focused on social media intelligence technology and consulting.

Why should you buy a Sinopac thermostat?

Reduce your energy consumption during peak hours and maximize your savings from the comfort of your home. A few constants stand out in Sinopac's Quebec-designed products, from the thermostats formerly manufactured by Aube to the diversified home automation platform launched in 2022: their quality, competitive pricing, and attention to detail.

What makes Sinopac a good brand?

A few constants stand out in Sinopac's Quebec-designed products, from the thermostats formerly manufactured by Aube to the diversified home automation platform launched in 2022: their quality, competitive pricing, and attention to detail. I recommend the Sinopac product line for its simplicity, build quality, and design.
