

# Solar consultant company Oman

Who is Oman solar systems?

About Us - OMAN SOLAR SYSTEMS CO. LLC Oman Solar Systems (OSS) is a pioneer and leader in offering turnkey solutions in solar energy in the Sultanate. OSS was established in 1991. It is a 100% Omani company committed to the industrial and commercial market.

Why should you choose Oman solar?

At Oman Solar, we have latest technology by which we can use NATURAL RESOURCES and convert the NATURAL energy into POWER (ELECTRICAL ENERGY). The solar photovoltaic energy is a most viable solution for reliable and remote application in the region because of the availability of the sun for almost 365 days in the year.

Can solar energy generate electricity in Oman?

Solar energy can potentially generate electricity to meet all of Oman's domestic electricity requirements and provide some electricity for export.

Who is OSS solar?

OSS is one of the oldest company in entire GCC region, over the three decades, we have installed many successful solar power systems at critical, remote, and inaccessible locations and delivered power and energy to homes and business houses across the Oman, UAE, MENA and SEA region.

How can we help the community in Oman?

We drive government and community transformation towards solar and renewable energy by providing solutions tailored to Omani nature. We know what it takes to build innovative projects to empower the community and stimulate the local economy of the Sultanate. Are electricity bills high?

Why choose BLB Oman?

B. Oman aims to motivate and equip young people with the knowledge and skills needed to enter the field of entrepreneurship in the renewable energy sector. We realize that quality is your goal, and we guarantee it to you with the testimony of our customers in all services related to energy systems.
