

# Solar panel apply karne ka tarika Niue

Will a free 1kW Solar System help soaring electricity costs in Pakistan?

The sweltering summers in Pakistan are here, and with them come soaring electricity costs. But fear not, Punjabi citizens! Through the Chief Minister's Roshan Gharana program, 50,000 qualifying households will receive free 1KW solar panel systems to alleviate some of their situation.

How to register solar panels in Pakistan?

Verify your eligibility before beginning the registration process. You must be a resident of Punjab province and a citizen of Pakistan. The property where you intend to place the solar panels must be yours, or you must get the owner's signed consent.

How do I apply for solar panels?

Fill Out the Application Form: Your name, CNIC number, contact information, full address of the property where the solar panels will be put, and the amount of electricity you now use will all be requested on the web form.

Apply for the Rooftop Solar as per the form Step : 3 Once you get the feasibility approval, get the plant installed by any of the registered vendors in your DISCOM
