officially founded 2016 in Juba, South Sudan to promote renewable energy in this country. However, the company is active since 2014. We have installed 8kVA fully automated PV power plant as a pilot project earlier 2015 in Juba, South Sudan. Zetin Solar and Investment co. Ltd is a subsidiary of Zetin Solar Technology from

What is a Mobile Inverter? Mobile inverters are like regular inverters. They convert direct current into AC for domestic use. All the household appliances work on AC but the power generated from the Solar Panels is DC. To convert this power to AC Solar inverters or Mobile inverters are used. The primary application is to convert current but Mobile Inverters have a secondary ...
