I accomplished my first solar installation in 1985 with Steiner Solar Service, what a different world it was back in the day. I know that a satisfied customer is worth far more than any marketing ...

Direct sunlight powers our Sunco Solar LED lights to deliver 8-10 hours of lighting at night to your path or garden. You can light an exterior walkway without underground wiring. At night, an integrated photocell sensor automatically turns on the solar light to illuminate your pathway and yard or to function as up lights by an exterior wall.

Depending on your use case, solar can still save you money. In this situation, the system has to be sized appropriately and your usage patterns must be evaluated properly. Give us a call and during a simple phone consultation, we can ...
