Why should you choose ESY Sunhouse?

At ESY SUNHOME, we don't just offer products - we offer energy solutions designed to simplify your life and empower your future. Choose ESY SUNHOME for dependable, scalable, and innovative energy storage systems that are built to last. Founded in 2004, ESY SUNHOME has established as a key player in the battery and renewable energy industries.

Who is esysunhome?

Esysunhome is residential energy storage product brand of Shenzhen Lishengyuan Electronic Technology Co., LTD. (LESY), a well-known high-tech enterprise focusing on development and manufacture of battery & power supply and new energy products. The headquarter is set in Shenzhen, where is also our R&D and manufacturing base.

What are ESY Sunhouse's core values?

The German team sets a shining example of one of ESY SUNHOME's core values: unity and perseverance. This core value is threaded throughout the company, including our Australian team and headquarters members. They always remember their initial purpose, working tirelessly to bring more warmth and care to their customers.
