

Weibo Power Grid Night Patrolman

What is a WALL-E-like patrol robot?

A WALL-E-like patrol robot conducts an inspection inside a power grid facility in Chuzhou, East China's Anhui Province on Tuesday. Equipped with a high-definition camera and infrared thermograph technology, the robot makes life easier for facility employees by checking grid equipment 24/7, especially in extreme weather conditions.

Which utilities have partnered with weavegrid?

Major utility companies like PG&E,DTE,and Xcel Energyhave partnered on the program. DTE Energy,a Detroit-based utility company that serves southern Michigan,has worked with WeaveGrid to help improve grid planning.

Will a power limit collapse a regional power grid?

The State Grid was cited by the Beijing News on Sunday as saying that the power limit was first exercised on non-residential usage, but there were still gaps that may cause the collapse of the regional power grid, adding to the residential power shortage. It said the recovery of residential power would be a priority.
