

What is the name of a mirror cabinet that can store things

Why should you choose a mirror cabinet?

The various light sources make for an authentic mirror image without casting shadows. In this way, the mirror cabinet can also provide lighting for the entire bathroom. The automatic light control is continuously dimmable while also being intuitive and incredibly easy to operate.

How long do mirror cabinets last?

With a rating of more than 30,000 hours, they are also particularly long-lasting. However, mirror cabinet lighting is not the only quality feature. Bathrooms tend to be prone to humidity. To protect our bathroom furniture, it is designed especially for moisture-prone areas.

Do bathroom cabinets with mirrors fit in every bathroom?

Because they are usually located right above the sink, all of your important toiletries are right at hand and you don't have to spend hours searching for them. Bathroom cabinets with mirrors can fit into every bathroom because the size of the bathroom is not a concern.

Why do you need illuminated bathroom mirrors & mirror cabinets?

Illuminated bathroom mirrors and mirror cabinets not only make sure the room is bright enough, they also help to create the perfect feel-good atmosphere. This includes highlighting your reflection in the best possible light.

What is Enhet Mirror Cabinet?

ENHET mirror cabinet, anthracite, 40x17x75 cm ENHET series makes it easy to start fresh with a new bathroom solution. This combo is as perfect for fixing your hair as for putting jars and bottles on display. Make it your own by choosing frame colour.

How wide are mirror cabinets with 3 Doors?

The mirror cabinets with 3 doors in our product range are 120 cm wide. The big advantage of these mirror cabinets is that everyone can stake out their own individual storage areas. This makes 3-door mirror cabinets ideal for large families or shared living situations. Tip: These really come into their own on large walls.
