

Which solar power generation company has the best quotation

Which solar energy suppliers are best?

Here are two suppliers worth looking into: Shell Energy: With a flat rate of 3.5p/kWh for exported energy from solar panels, Shell Energy offers a straightforward tariff with no variable rates. British Gas: Under its Export and Earn Flex tariff, British Gas provides a slightly higher rate of 6.4p/kWh for solar panel owners exporting to the grid.

What is the highest SEG rate for a home with solar panels?

The highest SEG rate for a household with solar panels and a battery is Intelligent Octopus Flux. However, every home's energy consumption and preferences are different, so no tariff will be perfect for every customer.

Do solar panels have a Smart Export Guarantee (SEG)?

The good news for solar panel owners is that large energy companies are obliged to pay for the excess energy that is exported, under the Smart Export Guarantee (SEG) scheme. What is the Smart Export Guarantee?

What is the best SEG tariff for solar panels?

The best SEG tariff currently available is Octopus Energy's Intelligent Octopus Flux, which provides up to 30.31p/kWh for customers with solar panels and compatible batteries. This tariff stands out in SEG tariff comparisons as one of the best export tariffs for solar panel owners.

Which solar energy suppliers offer a higher tariff?

British Gas: Under its Export and Earn Flex tariff, British Gas provides a slightly higher rate of 6.4p/kWh for solar panel owners exporting to the grid. Shell Energy's SEG tariff may seem lower compared to other suppliers, but there are key factors to consider: The simplicity of their tariff structure with no variable rates.

Can solar panels be profitable?

Installing solar panels and signing up to an SEG tariff is unlikely to be anywhere near as profitable as FIT rates were just a few years ago for two reasons: All energy suppliers with more than 150,000 customers are required to offer a Smart Export Guarantee tariff and a couple have voluntarily decided to offer them.
