

Xinda green energy co limited Syria

Xinda Green Energy Co., Limited established in 2008, and have over 10years experience in new energy market, our company located in Nanjing China, we specialized in handling the business of green energy as below

Xinda Green Energy Co.,Limited specialized in supply of wind turbine generator, various kind of energy saving permanent magnet generator,speed from 20rpm-6000rpm,power from 1kw to 3000kw, small hydro turbine system, wind solar hybrid system, electric motors, street lamp and so on in global market.

Xinda Green Energy are mainly specializing the provider of china wind turbine both vertical and horizontal,permanent magnet generators for wind and hydro turbine from 0.1-1000kw, micro hydro turbine system (0.3kw to 100kw) and hydraulic turbine system (100kw -1000kw), wind solar power system,gas genertor various kind of electric motor and so on.

About us. Xinda Green Energy Co.,Limited specialized in supply of wind turbine generator, various kind of energy saving Permanent Magnet Generators,speed from 20rpm-10000rpm,power from 1kw to 5000kw, small hydro turbine system and parts, high speed generator motor, electric motors, transformer,controller and inverter and so on in global market Our partner ...

Xinda Green Energy Co., Limited is a Chinese manufacturer of low speed permanent magnet generators, hydro turbine generators, wind turbine generators, and air generators. They offer a range of products with varying power and speed capabilities.

Xinda Green Energy specialized in supply of wind turbine generator, various kind of energy saving permanent magnet generator,speed from 20rpm-6000rpm,power from 1kw to 3000kw, small hydro turbine system, wind solar hybrid system, electric ...

Energy / Manufacturing | Xinda Green Energy Co.,Limited in Room 808 29Mufu west road Nanjing China | Contact details and activities | Business Directory of MarineTraffic

Xinda Green Energy specialized in supply of wind turbine generator, various kind of energy saving permanent magnet generator,speed from 20rpm-6000rpm,power from 1kw to 3000kw, small ...

Xinda Green Energy are mainly specializing the provider of china wind turbine both vertical and horizontal,permanent magnet generators for wind and hydro turbine from 0.1-1000kw, micro ...

Company profile for Charge Controllers, Inverter manufacturer Xinda Green Energy Co., Ltd. - showing the company"s contact details and products manufactured.
